

The Lazy Otter

Meadows & Marina: 01353 649 333

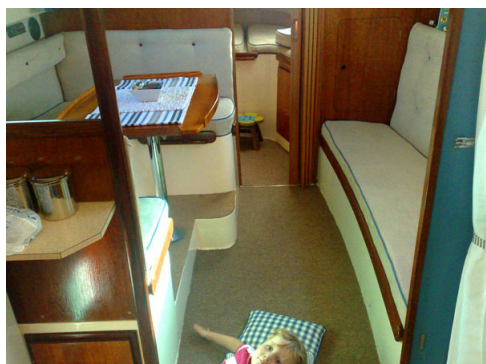

Ruby Tuesday

£25,000

Make: Fairline Mirage, Engin: Twin Volvo Penta Diesel
Craft Type: Day Cruiser, Berths: 5-6, Lenth: 29' Beam: 11'

General: It is with great regret we are selling our much loved Fairline Mirage power cruiser. She was thoroughly refurbished in 2008. Having a new foam interior and carpets. New Cockpit rear seat including the replacement mirage ply wooden base at the rear. Both cockpit seats have also been recovered. she has had a new canopy, however we still have the old one which is put on over the winter with the new one dry stored at home. There is a lovely Sun roof which can be rolled back. She comes with Twin Volvo diesel engines with penta z-drives. The engines/drives had over £3000 spent on them in 2008. She also comes with a two radio for sea use and is fitted with the latest radio/cd/ipod player. We have also fitted comfort lighting into the floor of the cockpit giving a lovely mellow light for those summer evenings.

Also comes with full fitted gally with 4 hob burner and oven, hot and cold water and gas heater for the shower. Fridgelt is 5 berth inside but my father in law used to sleep comfortably on the rear seat in the cockpit to allow for 6 people. Viewing is recommened to truely appreciate this lovely craft. It has just had it's antifoul paint applied to the hull end of March. The boat safety certificate is valid until end June 2012. We also have a tender with electric outboard motor which is available for sale
